The first thing to say about Tokyo  
is that it is very safe.  
Women can walk everywhere  
anytime day or night.  
Little children walk to school.  
You can leave something on the table  
in a restaurant while you go for a minute  
and nobody will take it.  
Tokyo is also very clean,  
and it is very easy to travel around.  
All the trains and buses run on time.  
Personally, my favorite time of year is spring,  
when it's dry and the  
cherry blossoms are on the trees.

A primeira coisa a dizer sobre Tóquio  
é que é muito segura.  
As mulheres podem andar por toda parte  
a qualquer hora do dia ou da noite.  
Crianças caminham para a escola.  
Você pode deixar algo em cima da mesa  
em um restaurante enquanto sai por um minuto  
e ninguém o leva.  
Tóquio também é muito limpa  
e é muito fácil viajar.  
Todos os trens e ônibus circulam no horário.  
Pessoalmente, minha época do ano favorita é a primavera,  
quando está seca e as  
flores de cerejeira estão nas árvores.
