A megacity is a city with more than
ten million inhabitants.
The largest mega city is Tokyo.
The next biggest is Delhi.
Third is Mexico City.
Fourth is New York, with about 20 million.
Fifth is Shangai. And the last,
the smallest is Mumbai,
which has 19.7 million.
Some time in 2008,
for the first time in the history of the world,
more people on Earth lived
in cities than in rural areas.
