Nobody enjoys doing chores, but everyone has to clean the house. It’s best to start with the worst chores. After that, things can only get better!

This is at the top of my list of chores I hate because dirty dishes never stop! We have a dishwasher, so I don’t have to wash the dishes, but I still have to load and unload the dishwasher. I don’t have to put the clean dishes; that’s my sister’s job.

Everyone in my family hates cleaning the bathroom. There are always hairs in the bathtub, especially after my sister with long hair takes a shower. Gross! Why don’t self-cleaning bathtubs exist?
