Eva didn't lock her bike: "I was riding my bike with a friend. We stopped at a store to get some groceries. We left our bikes on the sidewalk while we were shopping. I didn't lock my bike because I was only in the store for a couple of minutes. I was looking out the door while I was waiting in in line at the register. A guy was standing near my bike, but he wasn't doing anything suspicious. When I got outside, the guys was riding away fast on my bike! I ran after him, but he disappeared. I reported it to the police, but nothing happened."
