It was about two o'clock in the morning,
and... suddenly I woke up.
I heard a noise.
I got out of bed and
went slowly downstairs.
There was a light on
in the living room.
I listened carefully.
I could hear two men speaking
very quietly.
"Robbers!" I thought.
Immediately I ran back upstairs
and called the police.
I was really frightened.
Fortunately, the police arrived quickly.
They opened the front door
and went into the leaving room.
Then they came upstairs to see me.
"It's alright now, sir", they explained.
"We turned the television off for you!"

Eram cerca de duas horas da manhã
e ... de repente eu acordei.
Eu ouvi um barulho.
Saí da cama e
desci lentamente as escadas.
Havia uma luz acesa
na sala de estar.
Eu ouvi atentamente.
Eu podia ouvir dois homens falando
muito baixinho.
"Ladrões!", Pensei.
Imediatamente subi correndo as escadas
e chamei a polícia.
Eu estava realmente assustado.
Felizmente, a polícia chegou rapidamente.
Eles abriram a porta da frente
e entraram na sala de estar.
Então eles subiram as escadas para me ver.
"Está tudo bem agora, senhor", eles explicaram.
"Desligamos a televisão para você!"
