Steve was riding his bike alone at night: "I was riding on a backstreet when I saw two boys. They were laughing and talking while they were walking towards me. They weren't doing anything threatening. Then, while I was riding past, one of the boys pushed me and I fell off my bike. While I was getting up, the other boy hit me. Then they took my bike and ran away. I reported it to the police, but they never found it."
