The DofE Award is a personal development program for young people aged 14 to 25. To receive it, they have to complete a variety of challenging activities. To date, over 500,000 young Canadians have received the award. The award program has three levels of difficulty: Bronze, Silver, and Gold; with four sections at each level: community service, skills, physical fitness, and an expedition. You choose activities for the first three sections, and do them regularly for at least three months. Then you must organize and complete an expedition.
